**From Huntersville/Davidson/Corneilus ...**

- **Go west on Hwy 73. You go past Mcguire Nuclear Station and the Cowans Ford Dam. Cross over Hwy 16. Go past East Lincoln High School on right. You go under an over pass. After the over pass you go down a fairly long hill and cross a bridge over a creek. After crossing the creek you start back up a hill that is also pretty long. \*\*\*NOTE the speed limit changes to 45 mph at about the top of the hill. This is new so if you've not been this way in a while be aware of it. They have been patrolling it pretty heavily since they made the change\*\*\***
  
- **About 3/4 mile from the creek you will see a small church with a large red cross on the right hand side of 73. This is East Lincoln Baptist Church. About 1/2 mile past this church you come to a cross road intersection. There is another church on the left hand side of the road at this intersection. This is Tucker's Grove AME Zion Church and is also the name of the road on the left. Turn left off of 73 on to "Tucker's". You only go a few hundred feet and come to a stop sign. Go straight but the road name changes to Brevard place road. Follow this for about 4 miles until you come to a stop sign at a t-bone intersection with Long Circle. You turn left at this intersection on to Long Circle. Stay on Long Circle until you come to a similiar intersection with hwy 27. Turn left on 27 and we are about 1/4 on the left. You turn on to a paved driveway. There is a big sign for Tri-County. The drive is named Al Hager Lane. We are on the right hand side of Al Hager. It is behind the gray house. Go past the house and turn right on to the paved drive from Al Hager.**
